? Frequently Asked Questions

Is this a non-CDL hotshot trailer?

This PJ trailer has a 15,680 lb GVWR. Whether your truck-and-trailer combination qualifies for non-CDL operation depends on the truck's ratings, the combined weight ratings, actual loaded weights, and applicable state and federal regulations. Verify your specific setup before operating.

Is this PJ trailer suitable for hotshot trucking?

Its 40-foot deck, 102-inch width, gooseneck design, and tandem 7,000 lb Dexter axles make it a potential option for hotshot and commercial hauling applications. Make sure your truck, load, and trailer combination meet all applicable requirements.

How long and wide is this PJ flatbed?

It measures 40 feet long and 102 inches wide.

Does this trailer include loading ramps?

Yes. It includes 8-foot loading ramps with holders.

What type of axles does this PJ trailer have?

It features two 7,000 lb Dexter E-Z Lube brake axles with 6-leaf slipper spring suspension.

Do you offer financing?

Yes. Trailer Solutions LLC offers financing options for qualified buyers. Contact our team for available programs.

Do you offer trailer delivery?

Yes. We offer delivery throughout Kansas and can arrange delivery to many surrounding areas, including Colorado.

Why buy from Trailer Solutions LLC?

Trailer Solutions LLC offers a large selection of PJ Trailers, competitive pricing, financing, delivery, and a parts and service department to support customers after the sale.
