Description

Built Bad Boy Strong
The Bad Boy 3026 Tractor delivers the power, strength, and quality Bad Boy is known for. It's the perfect size for any farm, ranch, property, or outdoor business. With a longer frame, larger tires, higher ground clearance, and Bad Boy steel construction, this compact tractor is ready for jobs of any size. The Hydro Max Transmission automatically increases engine RPMs evenly with the push of a pedal, providing value and performance in its class.

Big on Power
The Bad Boy 30 Series Tractor combines performance and strength with a steel frame, cast iron axles, and a powerful 25-horsepower engine. Its hydraulics offer lifting power up to 1,314 lbs., while the differential lock equalizes power to both rear wheels. Selectable 4-wheel drive engages the front wheels for added traction and pulling power. The easy-to-read digital control display puts the PTO and front loader controls at your fingertips.

Featuring:

- 25 Horsepower
- 1,314 lbs. Loader Lift Capacity At Pins
- Hydro Max Transmission
- Dual HST Pedals
- Cast Iron Axles
- Reverse Mount Engine
- 3 Range Transmission
- Power Steering
- Selectable 4WD
- Differential Lock
- 6 Year Powertrain Warranty

The 3026 delivers strength, convenience, and lifting power in one compact package.
