Description

Major Power. Sub-Compact Size.
The Bad Boy 1025 Sub-Compact Tractor delivers 25 horsepower in a compact package that can fit into barn stalls, through gates, and into tight spaces where larger tractors cannot. Its Hydro Max Transmission automatically increases engine RPM evenly with the push of a pedal, while the 2-range transmission offers low for work and high for transport.

Built for hard work and dependable performance. The Bad Boy 1025 features 992 pounds of loader lift capacity at the pins, differential lock to equalize power to both rear wheels, and selectable 4-wheel drive to maximize traction. Power steering and cruise control make operation easy, while the full metal hood is made with Bad Boy steel. A 7-year powertrain warranty provides added confidence.

Features may include:

- 25 Horsepower
- 992 lbs. Loader Lift Capacity At Pins
- Hydro Max Transmission
- Dual HST Pedals
- 2 Range Transmission

Additional Features:

- Independent PTO
- Power Steering
- Selectable 4wd
- Differential lock
- 7 Year Powertrain Warranty

The Bad Boy 1025 combines sub-compact size with the power, strength, and quality needed for demanding work. If you are a small landowner looking for a do-it-all tractor, the Bad Boy 1025 is ready to perform.
