Price: $14,326.01

Description

Component
Description
Finish System
EpoxiShield powder coat system featuring a zinc epoxy primer and ultra-durable polyester top coat for exceptional corrosion resistance, color retention, and scratch resistance
Frame Construction
Heavy-duty all-steel frame construction for maximum strength, durability, and long-term reliability
Frame Rails
4" structural steel channel frame rails engineered for superior strength and corrosion resistance
Crossmembers
3" roll-formed 3/16" steel channel crossmembers for exceptional deck support and load capacity
Side Skirt
Full-length one-piece steel side skirts with stainless steel fenders and aluminum treadplate trim for durability and corrosion resistance
Toolboxes
Six (6) lockable integrated toolboxes (three per side) with recessed doors and T-handle compression latches
Fuel Fill
Angled fuel fill for easier fueling and improved corrosion resistance
Rear Skirt

Full-length one-piece rear skirt seamlessly integrated into the body for a clean, finished appearance
Rear Corners
Tapered rear corners designed to maximize turning clearance
Rear Bumper
Heavy-duty rear bumper with aluminum treadplate trim
Tailgate
Drop-down heavy-duty rear tailgate with center handle for secure cargo retention and easy operation
Rear Toolbox
Tall rear toolbox providing additional secure storage capacity
Underbody Storage
Integrated "Opossum Belly" underbody toolbox for storing long-handled tools and equipment
Cargo Lighting
LED cargo light with toggle switch for improved deck visibility during loading and unloading
Gooseneck Hitch
30,000 lb B&W gooseneck hitch with integrated 7-way electrical plug
Receiver Hitch
24,000 lb B&W bumper pull hitch integrated into the frame
Headache Rack Lighting
Two recessed LED tail, brake, and backup lights mounted in the headache rack
Rear Lighting
LED stop, turn, tail, backup, and tag lights integrated into the rear skirt
Marker Lighting
DOT-approved LED clearance and marker lights for enhanced road visibility
Work Lights
High-intensity rear LED work lights for improved nighttime productivity
Exclusive MegaBox
Available on 11'4" models: Two 54" MegaBox toolboxes with wide-opening suicide doors for maximum storage capacity
