Price: $10,303.86

Description

Component
Description
Body Construction
(A60) 16-gauge reinforced steel body with (G60) galvanneal welded side packs for maximum strength and corrosion resistance
Deck
Heavy-duty 12-gauge galvanneal steel deck designed to resist sagging, flexing, and cracking under heavy loads
Deck Coating
Non-slip black lava coating provides added protection, increased longevity, and improved footing
Paint Finish
Heavy-duty 2-stage wet coat finish using Low VOC acrylic polyurethane paint for exceptional durability, shine, and corrosion protection
Component Coating
Individually coated body components provide complete paint coverage, including hidden surfaces
Toolbox Interior
Powder-coated toolbox interiors resist rust and corrosion while protecting tools during transport
Compartment Tops
Treadbrite aluminum compartment tops provide added strength and corrosion resistance

Door Construction
Multi-panel reinforced steel doors designed to prevent flexing and sagging with repeated use
Door Holders
Gas-cylinder door holders allow doors to open smoothly and remain securely open during use
Weather Sealing
Automotive D-bulb weather stripping seals compartments against moisture and debris
Toolbox Latches
Heavy-duty T-handle twist compression latches provide secure closure while keeping moisture out
Body Assembly
Bolted body construction simplifies repairs and allows body configurations to be modified if needed
Mounting Kit
Universal body and bumper mounting kit included for easier installation
Rear Lighting
LED rear lighting with integrated wiring harness for brighter, longer-lasting illumination and lower power consumption
Fenders
Polished aluminum fenders provide corrosion resistance and a premium appearance
Tailgate
Heavy-duty rear tailgate designed for securely hauling bulk materials and equipment
Rear Bumper
Universal bolt-on crash zone bumper adds rear-end protection and improves safety
Warranty
4-year / 48,000-mile body warranty
Rust Protection
6-year no rust-through guarantee on steel body construction
