Description

Component
Description
Model / Body System
NXG HDX Integrated Service Body / Deck System
Available Lengths
84", 8'6", 9'4", 11'4" standard configurations
XCoat Finish System
NXG’s proprietary multi-stage cleaning and powder coating system delivering unmatched corrosion resistance and a durable, professional finish built for harsh environments
XRack System
Fully integrated headache rack built into the body (not bolt-on), constructed with 3" × 4" steel tubing, mandrel bends, and built-in XLights with strobe capability for job-site safety
XDeck
Fully recessed 1/8" steel tread plate deck maximizing cargo space while eliminating exposed edges to protect against wear and corrosion
XHitch (Gooseneck)
Frame-integrated towing system rated at 30,000 lb, featuring upright safety chain keepers, pre-wired electrical connections, and an emergency breakaway loop for maximum towing safety
XHitch (Receiver)
Integrated 24,500 lb receiver hitch with 2.5" receiver built directly into the frame for heavy-duty towing capability
Side Rails

3/8" × 2" formed steel rub rails with integrated stake pockets and tie-down compatibility
Fuel Fill
Angled corrosion-resistant design that improves flow, reduces splashback, and provides rear-facing fueling access for convenience
Trailer Light Plug
Automotive-grade 7-way / 4-way 12-volt electrical hookup for reliable trailer connections
Marker Lighting
DOT-approved LED bullet lights for road-ready visibility and safety
Toolboxes
Four lockable flush-mounted toolboxes with bulb weatherstripping for maximum sealing and corrosion protection
Toolbox Handles
Black T-handle compression latches, all keyed alike for convenience and security
Fenders
Heavy-duty steel radius fenders for long-lasting durability
Side Steps
NXG XSteps located in front of and behind fenders, plus rear step for full bed access
Frame Rails
4" structural channel steel for high-strength chassis support
Crossmembers
3" roll-formed steel crossmembers for superior deck support and load capacity
Rear Skirt
One-piece formed steel rear skirt with tapered corners for improved turning clearance
Gooseneck Hitch Rating
30,000 lb XHitch integrated gooseneck system
Receiver Hitch Rating
24,500 lb integrated 2.5" receiver hitch system
