NXG XFD Truck Bed – Standard Features & Specifications
Available Lengths: 84", 8'6", 9'4", and 11'4"
XCoat Protective Finish: Proprietary multi-stage powder coating system for superior corrosion resistance and long-lasting durability.
XDeck – Fully Recessed Steel Deck: Heavy-duty 1/8" steel treadplate deck maximizes cargo space and eliminates exposed edges.
XRack – Integrated Headache Rack: Fully welded, frame-integrated headache rack constructed with 3" x 4" steel tubing, precision mandrel bends, and built-in XLights.
XLights – Integrated LED Lighting: Automotive-grade lighting system featuring stop, tail, turn, reverse, and integrated amber strobe functions.
XHitch – Heavy-Duty Towing System: Frame-integrated 30,000 lb. gooseneck hitch and 24,500 lb. receiver hitch.
Integrated Towing Safety Features: Upright safety chain keepers, pre-wired electrical connections, and emergency breakaway loop.
Structural Steel Frame Rails: 4" precision-cut structural channel steel for maximum strength and durability.
Heavy-Duty Crossmembers: 3" roll-formed steel crossmembers provide superior deck support and load capacity.
Steel Side Rails: 3/8" x 2" formed steel rub rails with integrated stake pockets for multiple tie-down options.
Angled Fuel Fill: Rear-facing fuel fill design on cab chassis models for easy access and reduced splashback.
LED Marker Lights: DOT-approved LED bullet-style marker lights for enhanced visibility.
Trailer Electrical Connection: Automotive-grade 7-way/4-way, 12-volt trailer plug.
XLights Lifetime Warranty: Integrated XLights system backed by a lifetime warranty.
