Price: $35,933.00

Description

Choose Your Transmission
The Bad Boy 5045 Tractor lets you choose how you drive. Select the Hydro Max Transmission, which automatically increases engine RPMs evenly with the push of a pedal, or choose the Shuttle Shift Transmission for quick directional changes and maneuverability. Both options include power steering and cruise control.

More Power and Load Capacity
The Bad Boy 5045 Series Tractor is built for demanding jobs. Its 48-horsepower engine and 2,700 lbs. of loader lift capacity at the pins deliver strong performance. Differential lock equalizes power to both rear wheels, while selectable 4-wheel drive engages the front wheels to maximize traction and pulling power.

Implements Done Right
The tough three-point hitch and front loader quick-attach and latch implements are made from heavy-gauge, welded and fabricated steel. Available implements include Box Blades, Land Graders, Rotary Tillers, Disc Harrows, Forks and Hitches, Front Grapples, Grader Blades, Landscape Rakes and Rotary Brush Cutters.

Premium Heated Leather Seat
The cushioned, supportive heated leather seat provides comfort throughout the workday. An optional climate-controlled cab helps protect you from heat, rain and snow. The tractor is built with heavy-duty Bad Boy steel, including a hood, fenders and cast iron axles, and includes a 6-year powertrain warranty.

Features:

- 48 Horse Power
- 2,700 lbs. Loader Lift Capacity At Pins
- Hydro Max or Shuttle Shift Transmission Option
- Optional Climate-Controlled Cab with Leather, Heated Seat
- Power Steering
- Easy to Adjust Pin Style Stabilizer
- Cruise Control
- 4WD

Built for strength, lifting power and dependable performance, the Bad Boy 5045 Tractor is ready for work around the field and farm.
