Description

Built for strength, durability, and dependable performance, the Bear Track BTU80180F features rugged all-aluminum construction designed to handle demanding hauling jobs without the added weight of traditional steel trailers. Its spacious 15-foot deck, heavy-duty 4,400 lb. rubber torsion axle, and convenient fold-flat rear loading ramp make transporting lawn equipment, ATVs, UTVs, golf carts, building materials, and other cargo easy and efficient. Designed to resist rust and corrosion, this trailer delivers long-lasting performance for both work and recreation.
