Description

BEAR TRACK BTU79176T – 79" x 176" HEAVY-DUTY ALUMINUM TILT UTILITY TRAILER

Built for strength, durability, and effortless loading, the Bear Track BTU79176T features rugged all-aluminum construction paired with a heavy-duty tilting deck that eliminates the need for traditional loading ramps. Its spacious 14'8" deck, 5,200 lb. rubber torsion axle, and convenient tilt-loading system make transporting ATVs, UTVs, lawn equipment, golf carts, and light-duty machinery easy and efficient. Designed to handle demanding hauling jobs while resisting rust and corrosion, this trailer delivers dependable performance without the added weight of traditional steel construction.
