? Why Choose the 2026 Sharp 24' Construction Grade Enclosed Trailer?

The 2026 Sharp Manufacturing 24-foot enclosed gooseneck is designed for professionals who need secure cargo protection, extra interior height, and dependable construction.

The 7-foot interior height provides additional room for taller equipment, tools, and supplies. Its 101-inch-wide body gives you generous interior space, while the spring-assist rear ramp makes loading and unloading equipment easier.

The tandem 7,000 lb torsion axles, tubular steel frame, and 14,000 lb GVWR provide a strong foundation for commercial hauling. The aluminum exterior, undercoated frame, and galvanized hardware add durability for everyday use.

Whether you're hauling equipment, storing tools, transporting supplies, or using it as a mobile job-site workspace, this Sharp construction-grade enclosed trailer offers the space and features professionals need.
