Description

2020 Ford Explorer – 132,713 Miles
VIN: 1FMSK7DH5LGC96183
This 2020 Explorer is a roomy, comfortable family SUV that runs and drives great. On our test drive it was smooth from around-town speeds all the way to 70 mph, with no shaking or wobble, and it stops strong. The oil was just changed, the tires and brakes are in good shape, and both the heat and A/C blow strong.
Highlights:
2.3L EcoBoost turbo 4-cylinder (about 300 hp) with a 10-speed automatic
Third-row seating, with room for up to 7 passengers
SYNC 3 touchscreen with Apple CarPlay and Android Auto
Ford Co-Pilot360 safety features, including a rear backup camera
Takes regular unleaded fuel
Good tires and brakes, with a fresh oil change
Heat, A/C, radio, wipers and all lights tested and working
Honest condition notes: This is a used vehicle, and it shows some normal wear. There's a dent on the driver-side rear door, some cracking on the center console leather, and a front seat clip that needs replacing.
