Description

Buckshot BOLT HD 32' x 102" Gooseneck Deckover Trailer with 12' Hydraulic Dovetail
Munsell Gray | Dual 10K Lippert Axles | 12' Hydraulic Dovetail
Built for serious hauling, the Buckshot BOLT HD 32' x 102" Gooseneck Deckover Trailer delivers heavy-duty construction, innovative engineering, and exceptional loading convenience. Featuring a fully engineered frame and gooseneck design, this trailer is built to handle demanding equipment hauling applications while providing strength, stability, and reliability.
The standout feature is the 12' Hydraulic Dovetail with a Fully Automatic Self-Locking System, allowing for convenient loading and unloading of equipment without the hassle of manually handling heavy ramps. The integrated Pro Sway Control Twist Bar adds stability to the trailer's engineered construction.
Equipped with dual 10,000-lb Lippert axles with electric brakes, this BOLT HD is designed for demanding hauling jobs. The dual hydraulic jacks, complete with pump, battery, and charger, make hooking up and disconnecting easier and more convenient.
Finished in a sharp Munsell Gray, this trailer also features a side-mounted toolbox, locking chain rack, and a 14-ply spare tire for added functionality and convenience.
