Description

PJ 83" I-Beam Dump Trailer
83" Wide | 14,000 LB Combined Axle Rating | Black Powder Coat
Built for strength, durability, and dependable performance, this PJ 83" I-Beam Dump Trailer is designed to tackle demanding hauling and dumping jobs. Whether you're transporting gravel, dirt, mulch, construction debris, or other bulk materials, this heavy-duty dump trailer delivers the rugged construction and versatility needed to get the job done.
Featuring a heavy-duty I-beam frame, this PJ dump trailer provides a strong foundation for demanding applications. The dual 7,000-lb spring axles with electric brakes offer dependable hauling performance, while the adjustable 2-5/16" bumper-pull coupler with Demco EZLatch provides convenient and secure trailer hookup.
The Split/Spreader Rear Gate adds versatility, allowing for convenient unloading of bulk materials and controlled spreading when needed. Finished with a primer base and durable Black Powder Coat, this trailer offers a professional appearance and added protection against everyday wear.
