Description

Buckshot 7' x 14' Bumper Pull Dump Trailer with 48" Sides & Telescopic Cylinder
High-Gloss Black | Dual 7K Lippert Axles | 48" High Sides | Telescopic Hoist
Built for serious work, this Buckshot 7' x 14' Bumper Pull Dump Trailer delivers heavy-duty construction, exceptional hauling versatility, and dependable hydraulic performance. Featuring a rugged 7-gauge single-piece steel floor, 10-gauge steel walls, and massive 48" high sides, this trailer is designed to handle demanding jobs while providing increased capacity for bulky materials. The telescopic hydraulic lift system provides powerful, efficient dumping performance, making unloading dirt, gravel, mulch, demolition debris, and other materials easier and more convenient. With its heavy-duty construction and tall sidewalls, this Buckshot dump trailer is an excellent choice for contractors, landscapers, farmers, and property owners who demand durability and versatility. Equipped with dual 7,000-lb Lippert axles, this trailer offers a combined axle rating of 14,000 lbs. The rear support jacks provide additional stability when needed, while the 7.5-watt solar battery charger helps maintain battery charge between uses.
Finished in a sharp High-Gloss Black, this Buckshot dump trailer combines rugged functionality with a clean, professional appearance.
