Description

Pace American 8.5' x 20' Outback DLX Enclosed Cargo Trailer
Composite White | 7,000 LB GVWR | Flat Top V-Nose | Rear Ramp Door
Built for versatility, durability, and dependable performance, this Pace American 8.5' x 20' Outback DLX Enclosed Cargo Trailer is an excellent choice for hauling equipment, vehicles, tools, and more. Featuring a sleek Composite White exterior and Flat Top V-Nose design, this trailer combines a professional appearance with practical features for everyday hauling.
Equipped with dual 3,500-lb drop axles with electric brakes, this Outback DLX offers a 7,000 LB GVWR for dependable towing performance. The drop axle configuration provides a lower deck height, making loading and unloading easier and more convenient.
The spacious interior features an upgraded 84" (7') interior height, providing additional headroom and clearance for taller equipment and cargo. A durable 3/4" high-performance floor offers a strong foundation for hauling, while the rear ramp door allows convenient loading and unloading of motorcycles, ATVs, lawn equipment, and other wheeled cargo.
