? Why Choose the 2027 PJ T6222 Tilt Trailer?
The PJ T6222 22-foot tilt trailer offers a practical solution for operators who regularly haul equipment and machinery. A tilt-style deck can make loading and unloading more convenient by reducing the need to position and handle separate ramps.

With an 11,815 lb payload capacity, this trailer provides substantial hauling capability for a variety of equipment and commercial applications. The 22-foot deck and 83-inch width offer useful loading space, while the heavy-duty steel construction is designed for demanding work environments.
If you're looking for a dependable PJ tilt trailer in Western Kansas, the T6222 is worth a closer look.
