Always confirm the actual loaded weight and axle, tire, and hitch ratings before hauling.
? Why Choose the 2027 PJ CC242 Gooseneck Equipment Trailer?
The 2027 PJ CC242 combines a heavy-duty gooseneck design with practical loading features and dependable construction. Its 24-foot deck provides plenty of room for equipment, while the 2-foot dovetail and 5-foot slide-in ramps make loading and unloading more convenient.
With a listed 15,680 lb GVWR, tandem 7,000 lb axles, a treated pine deck, and a heavy-duty 6-inch channel frame, this PJ equipment trailer is built for demanding work.
Additional features like dual rear support jacks, welded D-rings, a lockable toolbox, and a spare tire make this trailer a great choice for contractors, farmers, and anyone needing a reliable equipment hauler.
