Price: $15,895.00

Description

14? × 82? I-Beam Dump Trailer | Cement Gray

Haul gravel, mulch, brush, and jobsite debris with this 14-foot dump trailer from Southeastern Trailer & Equipment. The 24-inch steel sides, sideboard extensions, and raised front give you extra room for bulky loads, while the 20-foot heavy-duty mesh tarp with a long-arm system makes it easy to cover the load. A three-way dump gate gives you options for unloading, and the 78-inch rear slide-in ramps make it easy to load equipment when the job calls for it.

This trailer is built on an 8-inch I-beam frame with two 7,000-lb drop axles and electric drum brakes. The five-stage hydraulic system raises the bed under power and lowers it by gravity. A lithium battery upgrade and 7-watt SolarPulse charging system round out the package.

Features and specifications

- 14? × 82? frame with 8? × 15-lb I-beams and crossmembers on 16? centers
- Two 7,000-lb drop axles with electric drum brakes and six-leaf slipper roller springs
- 24? tall, 10-gauge steel sides integral with the floor, plus sideboard brackets, boards, and a raised front
- Three-way dump gate and 78? rear slide-in ramps built with 3? I-beams
- Five-stage power-up, gravity-down hydraulics with an upgraded lithium battery
- 20? heavy-duty black mesh tarp with long-arm tarp system
- 2-5/16? Demco EZ-Latch coupler rated at 21,000 lbs with an adjustable channel
- Engineered tongue with a heavy-duty V-tongue lid and a 15,000-lb Simol two-speed drop-leg jack
- Four 5/8? D-rings, a 24? driver-side step, and welded 14-gauge diamond-plate teardrop fenders
- ST235/80R16 14-ply radial tires on black 8-lug wheels and a passenger-side spare tire mount
- Cement Gray finish and all-LED lighting
