Price: $19,500.00

Description

24? × 102? Engineered Beam Tilt Equipment Trailer

Load skid steers, compact tractors, and other equipment without handling separate ramps. This Cement Gray tilt trailer pairs an 18-foot hydraulically dampened gravity tilt bed with a 6-foot stationary front deck that gives you room for attachments. The Max Wide Package adds heavy-duty drive-over fenders and frame extensions for wider equipment.

The engineered beam frame features 3-inch I-beam crossmembers on 16-inch centers and a 2-inch treated wood floor. Dual 8,000-lb drop axles come equipped with electric drum brakes and ABS. Eight D-rings, plus rub rails with stake pockets and pipe spools, give you multiple points for securing equipment and attachments.

Features and specifications

- 24? × 102? frame with a 6? stationary deck and an 18? gravity tilt bed
- Max Wide Package with 10-gauge heavy-duty drive-over fenders and frame extensions
- Two 8,000-lb drop axles with ABS-equipped electric drum brakes and six-leaf slipper roller springs
- 2-5/16? flat-mount Demco EZ-Latch coupler rated at 21,000 lbs
- Single 20,000-lb hydraulic jack and a 7-watt SolarPulse charging system
- Heavy-duty V-tongue storage box with lid
- Eight 5/8? D-rings and 2? × 3/8? rub rails with stake pockets and pipe spools
- ST215/75R17.5 18-ply tires on black steel wheels, with a matching spare mounted on the passenger side of the tongue
- Cement Gray finish and all-LED lighting
