Description

Bobcat CT2035 HST Tractor w/FL8 Front End Loader

OVERVIEW

The CT2035 34-hp compact tractor delivers the performance and power you need to tackle work on your acreage with the help of a front-end loader and versatile implements.
Standard four-wheel drive makes this compact tractor durable enough for big jobs like mowing, hauling or digging, and the tight turning radius lets you get in close around buildings and obstacles.

3-Range hydrostatic transmission or manual-shift transmission options offer the versatility to work the way you want.
Make the font-end loader respond intuitively to your command with the comfortable, molded grip integrated joystick lever.
