Price: \$7,236.10

MSRP: \$8,002.00

Description

The ZT3000 is built to handle the toughest jobs with commercial-grade features including the TufDeck(tm) Pro cutting system and a powerful Kawasaki(r) FT series engine. Say hello to pro-grade performance with innovative cutting technology, heavy-duty torque, high fuel capacity, smooth operation and all-day ride comfort.

When the job demands more, the ZT3000 is built to handle it with a heavy-duty, steel-tubed frame that's engineered to last.

Powerful airflow aggressively shoots clippings from an extra-large discharge chute for a cleaner deck and a consistently high-quality cut with three available deck sizes.

Put your ZT3000 into drive and notice instant power and response from the Hydro-Gear ZT-3100 hydrostatic transaxle drive system that delivers ground speeds up to 8 mph.
