MSRP: $25,846.00

Description

Bobcat UV34 Gas, Cab & Heat Package Utility Vehicle

Whether you need a UTV to haul materials on the jobsite or tow heavy trailers and equipment on your acreage, the Bobcat® 39.9-hp UV34 utility vehicle is the right choice for your toughest jobs.

The 1,000 cc, two-cylinder SOHC engine is designed for maximum durability and reliability for challenging conditions, delivering the high-performance power you need with gas-engine convenience.
The large, 900-watt stator provides more power – about 75 amps of output - for use with the snow blade and other electric-powered accessories, and the electronic fuel injection provides the best starting performance for working in all seasons.
A large cargo box made of a durable composite interior handles up to 1,250 pounds of material or supplies to help you do more and do it better.
With an increased tow rating, improved ground clearance, all-wheel drive and convenient service access, the UV34 delivers what you need to manage more of your challenging projects.
