Fits trucks with minimum 13,000 lb GVW (gross vehicle weight).

- Patented double-wall 3 cubic yard poly hopper won't rust or dent.
- 12V DC-powered electric drive with independent auger and spinner motors.
- Handles bulk salt or a 50/50 sand/salt mix.
- In-cab controls feature independent auger and spinner speed settings and vibrator control.
- 14 in. poly spinner broadcasts material up to 30 ft.
- 5-1/4 in. full length variable pitch steel auger with stainless steel trough keeps the material flowing.
- Adjustable height chute accommodates different truck mounting heights.
- 400 lb vibrator, top screen, inverted V, tie downs, remote auger bearing grease kit included.
- Backed with a 2 year warranty.
- Made in the USA.

PLEASE NOTE: Lids sold separately.

Buyers Products SaltDogg PRO3000 Electric Hopper Spreader with Auger gives contractors and property managers a powerful, durable spreader for dump trucks or flatbeds with a minimum 13,000 GVW (gross vehicle weight). The 3 cubic yard spreader handles bulk salt or a 50/50 salt/sand mix. Its electric-powered design means quieter operation with no need for refueling or engine servicing, giving you more time on the road.

A PRO series spreader is an investment made to last. The double-wall, lighter weight, all-poly hopper construction won't rust or dent. A simple cleaning makes it look like new. The spreader is equipped with a 5-1/4 in. full-length variable pitch steel auger with a stainless steel trough and a 3/4 HP, 12V gear motor. A 400 lb vibrator works in conjunction with the inverted V and auger to keep material flowing. A 14 in. polymer spinner, with its own independent 1/2 HP, 12V motor, casts material in a 5-30 ft radius. The PRO3000 features a two-position adjustable chute with 12 in. variable height to suit a variety of truck bed heights. The high-flow chute features a swing-away design to make it easy to unload excess material or fill-up walk-behinds.

Intuitive in-cab controls let you independently manage conveyor and spinner speeds and turn the vibrator on and off with the flick of a switch. The spreader also comes standard with a steel top screen and remote auger bearing grease kit. It's backed with a 2 year warranty.
