Description

24 FT INTECH
Every inTech trailer frame is built using only aluminum tube extrusions. Aluminum renders a light-weight trailer using the strongest, longest lasting materials available. We've also selected the

highest quality aluminum materials for finishing the interior and exterior of our trailers.
Full Perimeter All-Tube Frame Construction
Triple Tube Aluminum A-Frame Tongue
Extruded aluminum floor & ramp with transition flap
Premium aluminum wheels and full spare with mount
One-piece, seamless aluminum roof
Standard .040” thick screwless & rivetless aluminum exterior skin
(Upgrade to .050” upgrade available in Stacker models)
