Description

H&H 82x18+4 Top Line I-Beam Tilt Equipment Trailer

GVWR = 17,600#

Dry Weight = 4420#

Payload = 13,180#

Overview

Heavy Duty Hauling Made Simple with the Topline® Series I-Beam Tilt Bed Trailer.

The Topline Series I-Beam Tilt Bed Equipment Trailer is our commercial grade split deck, tilt trailer in our line-up of equipment models. It offers a balanced gravity tilting deck, with your choice of a 4' or 6' stationary front deck. This gives storage room for your cargo up front and convenient loading for equipment like skid steers, tractors, cars and more.

Designed with a variety of payload capacities, the Topline Tilt Bed comes standard with a custom bulkhead with added tie-off points, large d-rings, and oversized stake pockets to safely secure your loads. A knife-edge dovetail provides ideal load angle for low-clearance equipment. The oversized toolbox features self-triggering light and enough storage for a battery and straps.

Experience the ease of the Topline I-Beam Tilt Bed Trailer on your next haul.
