Description

NEW 2025 Burromax TT350- 17 MPH Top Speed W/ Up to 180# Rider
Fully assembled, pre-charged and ready to ride on delivery. Simply unbox the bike, clamp down and adjust handlebars using the supplied tool kit. The bike tires will be inflated, however please check tire air pressure prior to riding. Its that easy!
100% Electric Mini Bike with full suspension authentic motocross frame geometry. The TT350R scales down the dirt bike to size for riders ages 8-12 years old (10+ years old recommended) and up to 180 lbs. High-torque 350w motor powers riders at speeds of up to 17 mph, two speed setting offering a "learning low speed 8 mph mode" for new riders, rear-wheel chain-drive delivers

increased power and traction.
24v 10ah Lithium Ion battery for super fast charging and long riding time with up to 20 miles of continuous use, large 12.5" diameter knobby tires and spoked wheels, adjustable-angle riser-style handlebars, retractable kickstand, and hand-operated rear disc brake.
Built like a motorcycle and not a toy! High-strength steel frame to withstand rigorous use and impacts. Reinforced components such as the handlebars, footpegs, and brake system for added strength and durability. Front and rear heavy duty suspension system designed to handle rough terrains and absorb shocks.
Feel confident in your purchase with the availability of easy to order replacement parts and bolt-on plug-n-play performance upgrades so your mini bike can grow with your rider! We stock every single component, nut and bolt that goes into building the bike so you are able to enjoy your electric mini bike for years to come.
Burromax is a USA based company out of St. Louis Missouri offering 100% USA based customer service by phone to answer any technical or warranty questions. Feel confident in your purchase buying from an American small business company.
