Description

The WESTERN® Striker® 0.7 and 0.35 cu yd stainless steel hopper spreaders offer the features and accessories that give you the performance, capabilities, and efficiency of larger WESTERN Striker hopper spreaders, but in a more compact size that’s better suited to handle smaller spaces and jobs. This salt and sand spreader has been designed to provide excellent material flow and delivery to the spinner.

- Capacity: 0.35 & 0.7 cu yd
- Material: Salt, Sand & Fine Materials
- Spread Pattern: Broadcast

Minimize waste and maximize profits with the WESTERN® Striker® stainless steel hopper spreader. A dual variable-speed control and an innovative chute design allow operators to easily control salt and sand spread. Ultra-durable and loaded with the latest in snow and ice control technology, the Striker hopper spreader helps you take your de-icing operation further.

- Capacity: 1.5, 2.0, 3.0, 4.5 & 6.0 cu yd
- Material: Salt & Sand
- Spread Pattern: Broadcast
