## Description

Engine Excellence: Dual AC electric motors deliver a powerful 10,000-watt output.
Eco-Friendly Battery: Comes with an 11.52 kWh lithium battery, ensuring longer rides with a J1772 charging port.
All-Wheel Drive: AWD capability for superior handling and control on varied terrains.
Top Speed & Range: Hits up to 40 MPH with an estimated maximum driving range of 60 miles.
Efficient Cooling System: Air-cooled to maintain optimal performance levels.
Quick Charging: Recharges fully in 8 hours with a 120V standard outlet.
Compact Dimensions: Overall dimensions are crafted for agility and ease of handling.
Off-Road Ready: High ground clearance and rugged tires for all-terrain capability.
Heavy-Duty Capacity: Equipped with a 1,250 lbs cargo bed load capacity and a 2,500 lbs towing capacity.
Advanced Suspension: Independent double A-arm suspension for smooth rides.
Safety First: Disc brakes on both ends ensure your journey is safe.
Utility and Comfort: Features like a 3500 lbs winch, electric power cargo bed, and cool flow windshield enhance functionality and comfort.
Technology-Forward: A 10? touch screen with a backup camera, and included side doors and running boards for added convenience.
Warranty and Support: Backed by a 36-month warranty for the lithium battery and a 12-month limited vehicle warranty.
Accessorize: Improve your Cowboy with accessories
