. Snow Ex 7.6 RD Snow plow straight blade with down pressure and halogen headlights.

Customer can get upgrade of LED Headlights for a extra \$600.00. 8' snow blade will be a extra \$250.00

For personal plowing or light-duty commercial snow plowing jobs using half-ton pick-ups, the SnowEx® 7600RD and 8000RD are engineered to meet vehicle weight ratings and deliver excellent performance. Built with stronger and lighter high-strength steel, the units are ideal for tough conditions while putting less stress on your truck than heavier straight blade snow plows.
