OVERVIEW

The Sundowner Cargo Workhorse expands on the functionality of the standard cargo trailer with a specific package of upgrades designed to provide years of efficient, durable hard work. The Workhorse includes aluminum plank flooring, a full rear ramp with lift assist, additional interior lighting, heavy duty recessed tie downs, and a spread axle configuration for better ride and control on the road and at the work site. This upgraded cargo trailer will provide you with the years of dependable service expected from a Sundowner.
