Description

Introducing the Hillcrest Trailers 10k Car Hauler Trailer, a reliable and durable option for all your hauling needs. With two premium 6000# cambered axles and quick-lubricating hubs, this trailer is built to handle heavy loads with ease. The forward self-adjusting electric brakes on both axles ensure safe and smooth stops every time.

Equipped with a multi-leaf spring suspension with equalizer, a 5" channel wrap tongue, and a 2-5/16" adjustable coupler, this trailer offers stability and security while on the road. The 7,000# top wind drop-leg jack and 1/4" Grade 70 safety chains provide added peace of mind during transport. This trailer features a 5" factory channel frame, removable double broke fenders, and 5' slide-in angle ramps for easy loading and unloading. The 2' dovetail, stake pockets along both sides, and 4 welded D-rings offer versatility and convenience when securing your cargo.

Available in sizes ranging from 16+2 to 22+2 feet, the Hillcrest Trailers 10k Car Hauler Trailer is the perfect solution for hauling vehicles, equipment, and more.
