The Stockman Express is the newest addition to our already popular stock trailer line-up. In 12', 14' and 16' lengths the new Express Series is built with the same quality and standards people have come to expect from a Sundowner. Loaded with features such as heavy duty fenders, 4" I-beam cross members on 12" centers, slam latch gates, 2 side access doors and a 4" raised nose. The Express offers the features you want at a price everyone can afford.
