Price: $4,765.00

MSRP: $5,295.00

Description

Bulk up with the SP-1575 and SP-1875. These tailgate salt spreaders can handle pretty much any type of material, including bulk salt, sand and salt/sand mix. SnowExRegistered first developed this concept in 1999, so when you use one of these spreaders, you're putting years of field-proven performance to work. The transverse auger transmission features a 12-volt electric motor for reliable operation and low maintenance. The auger uses heavy-duty, variable-pitch flighting, which

provides balanced delivery of material to the spinner. This innovative system allows the tailgate spreaders to distribute bulk material with unmatched accuracy. Bulk material can be a pain if your spreader isn't designed to handle it. That's why SnowEx developed the patented "V" baffle. Used in conjunction with a vibrator, this feature keeps material flowing consistently to the auger, so you don't waste time unplugging the machine.

Product Specs

	SP-1575-1	SP-1875-1
Vehicle Compatibility	Trucks, UTVs & Tractors	Trucks & Tractors
Material Compatibility*	Bagged Rock Salt, Bulk Salt, Bagged Ice Melters, Calcium Chloride Pellets & Calcium Flakes	Bagged Rock Salt, Bulk Salt, Bagged Ice Melters, Calcium Chloride Pellets & Calcium Flakes
Capacity (Volume)	5.25 cu ft	9.0 cu ft
Spreading Width	Up to 30'	Up to 40'
Approx. Weight (Empty)	160 lb	180 lb
Overall Dimensions (LxWxH)	20.5" x 38" x 34"	24" x 52" x 36"
Hopper Dimensions (LxW)	20.5" x 38"	21" x 47"
Capacity (Weight)**	420 lb	720 lb
Motors	Dual Electric, 12V, Sealed	Dual Electric, 12V, Sealed
Spinner	10"	12"
Auger	Horizontal high-flow auger	Horizontal high-flow auger

*TRK material control tube required for fine materials (ice melters, pellets & flakes).
**Material weight equates to approximately 2,160 lb/cu yd or 80 lb/cu ft (1 bag of rock salt).
