Price: \$5,100.00

Description

Priefert's Loading Chute provides a safe and effective way to load cattle into or out of your corral system. This loading chute is easily portable and is designed to hook up using a 2" ball mount. Adjustable locking support legs allow you to achieve various loading heights to ensure a safe loading/unloading experience with a variety of trailers. The cleated RumberRegistered floor provides added traction for livestock. The tow bar slides under the loading chute so that it's out of

the way when you get ready to load or unload cattle. The Architectural Grade Powder Coat Finish helps the product to resist rust, scratches, and fading to add years of life to your investment
