<https://diamondtsales.com/unit/priefert-arena-master-arena-drag-8-farm-ranch-640235>

Price: \$3,980.00

Description

Arena Master Eliminates expensive hydraulics and allows operators to break packed ground, pulverize clumps of dirt, and leave consistent footing; often in a single pass. Designed to quickly, easily, and securely attach to your tractor's 3-point attachment. Three rows of offset S-tines, with each tine equipped with a durable tip for ripping through packed ground. Features a total of 24 tines. A heavy "Push/Drag" box blade allows operators more control over leveling arena irregularities. In the "down" position, pull large amounts of dirt to low spots or push dirt into dug out roping boxes. In the "float" position, it creates a level, terrain conforming finish. The Clump Buster pulverizes dirt clods and packs the sub-surface for consistent footing, while putting a final "fluff" on the top layer of dirt to ensure a smooth surface.

- Width: 8'

- Weight: 699 lb.
 - Suggested 40-80 HP 7/8" pins in bottom (not included)
 - 3/4" pins in top (not included)
 - Color: Priefert Blue
