2027 TUFFDUMP 7x16 Tandem Axle Low Side Dump Trailer

The 2027 TUFFDUMP 7x16 Tandem Axle Low Side Dump Trailer is built for contractors, landscapers, farmers, construction crews, and property owners who need dependable performance and commercial-grade durability. Finished in a rugged black premium powder-coated steel finish, this heavy-duty dump trailer is designed to haul gravel, dirt, mulch, brush, firewood, demolition debris, roofing materials, and construction supplies with ease. The spacious 7-foot-wide bed, 16-foot length, and 25.5-inch low steel sides make loading equipment and palletized materials easier while still providing excellent hauling capacity. It features a 14,000 lb GVWR and an impressive 10,400 lb payload capacity.

Powered by a telescopic hydraulic lift cylinder, this trailer delivers fast, smooth, and reliable dumping performance for demanding commercial applications. It rides on tandem 7,000 lb electric brake axles that provide outstanding towing stability, dependable braking, and long-term reliability whether you're hauling to the jobsite, farm, or landfill. The barn door/spreader combination gate allows for efficient unloading of loose materials while also accommodating equipment loading when needed.

Heavy-duty construction includes a steel tube frame, lockable pump and battery box, 12,000 lb drop-leg jack, adjustable 2-5/16-inch coupler, stake pockets, frame-mounted D-rings, debris-free steel fenders, premium LED lighting package, protected wiring harness, breakaway safety system, 7-way RV plug, 235/80R16 radial tires, and a spare tire mount. Every component is engineered to provide years of dependable commercial service while minimizing maintenance and downtime.

The versatile 7x16 low-side design is ideal for hauling skid steers, compact tractors, mini excavators, gravel, sand, topsoil, mulch, brush, firewood, demolition debris, and landscaping materials. The 25.5-inch side walls make loading equipment with forklifts or machinery easier than high-side models while still providing excellent cargo capacity, making this trailer a favorite among contractors and equipment operators.

Whether you're searching for a 7x16 dump trailer, TUFFDUMP dump trailer, 14K dump trailer, low side dump trailer, hydraulic dump trailer, contractor dump trailer, landscape dump trailer, equipment trailer, or heavy-duty commercial dump trailer, this 2027 TUFFDUMP 7x16 TA-LS delivers premium American-built quality, exceptional durability, and outstanding long-term value.
