2027 Down 2 Earth Trailers 7x16 Tandem Axle High Side Dump Trailer

The 2027 Down 2 Earth Trailers 7x16 Tandem Axle High Side Dump Trailer is built for contractors, landscapers, excavation crews, farmers, municipalities, and property owners who need maximum hauling capacity with dependable commercial-grade construction. Finished in a durable gray powder-coated steel finish, this trailer is designed to haul gravel, dirt, sand, mulch, brush, demolition debris, roofing materials, firewood, and heavy construction materials with ease. The spacious 7-foot-wide bed, 16-foot length, and 48-inch high steel sides provide exceptional cargo volume while keeping loose materials securely contained during transport. It features a 14,000 lb GVWR with an impressive 9,380 lb payload capacity.

Powered by a reliable hydraulic scissor lift hoist, this trailer provides smooth, dependable dumping performance for demanding jobs. Riding on tandem 7,000 lb electric brake axles, it delivers outstanding towing stability and dependable braking whether you're hauling to the jobsite, farm, or landfill. The barn door/spreader combination gate allows you to dump loose materials efficiently or fully open the rear for loading equipment when needed.

Built with a rugged all-steel frame, this trailer includes a lockable pump and battery box, 12,000 lb drop-leg jack, adjustable 2-5/16-inch coupler, stake pockets, D-ring tie-downs, diamond plate steel fenders, LED lighting package, breakaway safety system, 7-way RV plug, radial trailer tires, and a spare tire mount. Every component is engineered to provide years of dependable performance while minimizing maintenance and downtime on demanding commercial jobs.

The versatile 7x16 high-side design is ideal for hauling gravel, topsoil, mulch, brush, concrete, asphalt, demolition debris, firewood, landscaping materials, and construction supplies. The 48-inch steel sides maximize hauling capacity while helping prevent material loss during transport, making this trailer an outstanding choice for contractors, excavation companies, and agricultural operations.

Whether you're searching for a 7x16 high side dump trailer, Down 2 Earth dump trailer, 14K dump trailer, hydraulic dump trailer, contractor dump trailer, landscape dump trailer, equipment trailer, or heavy-duty commercial dump trailer, this 2027 Down 2 Earth 7x16 TA-HS Dump Trailer delivers exceptional durability, dependable performance, and outstanding long-term value.
