Fender Paint is optional cost. \

\

Very well optioned and works smoothly. The aluminum frame is a 6 inch channel and tube main frame construction. Each of the floor planks are interlocking and are welded together creating a structured support every 6 inches. These have 6 foot aluminum ramps that can be used on the rear or the side of the trailer. This trailer has running boards that can also be used as steps and it has two removable teardrop fenders allowing you to open doors on cars and exit the vehicle and trailer with ease. This trailer also has 4 large swivel tie-downs. The tires are D load radial 225/75/15 filled with Nitrogen mounted on custom aluminum 6 lug wheels. The axles are 3500 lbs torsion axles with E-Z lub hubs with electric brakes on all 4 wheels. This trailer is equipped with a breakaway safety kit and a 2 5/16's bulldog style hitch. All of the lights are LED. This trailer is available in different sizes and can be equipped with many optional features such as rock guards, storage boxes, spare tire mounts and more. \

\

This trailer is backed by an 7 year bumper to hitch transferable structural warranty. \

\

Financing is available with Sheffield Financial, Trailer Solutions Financial and Synchrony car car, WAC. In many cases these finance plans do not require down payments and have many great plans to choose from that fit many needs. \
