Description

When your job demands brute strength and no-nonsense loading, the NSTWB24-BP-176 delivers. This 24' straight deck wide-body trailer is built for contractors, farmers, and fleet operators who need maximum payload and zero hassle. With a 17,600 lb GVWR, torsion axles, and full-width flip-over ramps, it's ready to handle skid steers, tractors, and heavy equipment with ease. Drive-over steel fenders, cold-weather wiring, and a rugged PPG polyurethane finish mean it's built to thrive in tough conditions. The 4' beavertail and 14.5° load angle make loading smooth and safe, while the 5-year frame warranty backs up its reputation for durability.
