Description

Built for performance and polished for style, the KP8416VSSVA-070 from Pace American's Vision Sport series delivers premium hauling in a sleek 7' × 16' aluminum package. With a 7,000 lb GVWR and over 5,000 lbs of payload capacity, it's engineered to handle serious cargo while staying lightweight and efficient. The screwless .030" aluminum exterior, V-nose design, and LED lighting give it a modern edge, while the ramp door, side access, and durable flooring make loading and transport a breeze. Whether you're hauling gear, toys, or tools, this trailer is ready to roll with confidence and class.
