Description

Built for durability and style, the KP8414VSSVA-070 from Pace American's Vision Sport series is a premium 7×14 aluminum enclosed cargo trailer designed to handle tough jobs with ease. Featuring a lightweight tube frame, screwless .030" aluminum exterior, and a sleek sloped V-nose, this trailer combines rugged performance with a modern look. With a 7,000 lb GVWR and over 5,000 lbs of payload capacity, it's perfect for hauling equipment, motorcycles, or gear for work and play.

Standard features include a rear ramp door with extension flap, ¾" engineered wood flooring, LED lighting, radial tires, and a 32" side door with flush lock. Whether you're a contractor, adventurer, or weekend warrior, the KP8414VSSVA-070 delivers strength, reliability, and standout style.
