Description

2025 U DUMP 831414T-25-LP Telescopic Dump Trailer

Built Strong. Built Smart. Built to Work.

East Coast Autos and Trailers is proud to offer the 2025 U DUMP 831414T-25-LP—a premium 14' long x 83" wide low-profile dump trailer engineered for maximum strength, durability, and performance. Manufactured in Ocala, Florida, U Dump Trailers are renowned for their quality craftsmanship and commercial-grade components trusted by construction professionals, landscapers, and heavy-duty haulers nationwide.

Whether you're hauling debris, gravel, equipment, or bulk materials, the 831414T-25-LP delivers outstanding power and precision with its telescopic hydraulic lift system and heavy-duty structural frame.

? Key Features:

Size: 83" wide x 14' long – Ideal for large payloads without sacrificing maneuverability

GVWR: 14,000 lbs – Built to handle serious jobs

Hydraulic Lift: Telescopic hoist offers superior dumping power and angle compared to scissor or dual-ram systems

Axles: Dual 7,000 lb brake axles for stability and stopping power

Tarp Kit: Included – Keep your loads secure and DOT compliant

Ramps: Heavy-duty slide-in ramps make loading equipment safe and simple

LED Lighting: Bright, long-lasting, and sealed for all-weather use

Floor: 7-gauge steel floor – thicker and stronger for years of hard use

Sides: 25" tall sides with 10-gauge steel and rear spreader gate

Wheels & Tires: 235/80 R16 radial tires on black mod wheels

Battery & Charger: Deep cycle battery with onboard 110V charger

?? Built-In Advantages:

Powder-Coated Finish – Rust-resistant, tough, and sleek

Low-Profile Design – Easier loading and better towing stability

Stake Pockets & Tie-Downs – Versatile cargo management

Sealed Wiring Harness – Protected against the elements

Commercial Grade Components – Designed for daily professional use
