Designed For Around-The-Clock Contractor Use

For those who want to make a finished lot look like it does in July, the Lot Proâ?¢ is a professional-grade plow for contractors who need to plow large parking lots and streets. The Lot Pro fits on 3/4-

ton pickup trucks and larger. The Lot Pro is available with your choice of two mounting systems: Standard Operating System and EZ-Mount Plus. Both offer premium features such as self-diagnostics and hands-free plowing. The Standard Operating System also offers industry-leading ground clearance

Performance

The Results You Want In Less Time

The Lot Proâ?¢ features the tallest and most aggressive contractor-class moldboard on the market. Thirty-two inches tall with a 75Â° attack angle, Lot Pros deliver better overall snow clearing performance in less time. Plus, its aggressive attack angle allows for superior back-dragging performance.

Reliability

In the snow plowing business, downtime is not an option. That's why the Meyer Lot Pro is built using Reliable Over-time Construction (ROC)â?¦the detailed things we do to make our plows more rugged and reliable. ROC is the result of manufacturing improvements and state-of-the-art technology combined with stringent quality control procedures
