## Description

Belmont DT7210 10K dump trailer. 72x10 foot body, 9990 lb GVW, tandem Dexter axles. Has a 3 way tail gate, Tarp, Power up/down and two six foot heavy duty ladder type loading ramps, stored under the body. Eight stake pockets, diamond plate steel fenders, LED lighting, Tarp kit, heavy duty top wind jack, and Bucher hydraulic power pack. Locking tool box. These trailers have a modular wiring harness with weatherproof connectors. The coupler is 2 5/16 and is adjustable. Belmont trailers are among the best trailers on the market. They are built in Lancaster County PA, most of their workforce are Amish craftsmen who take pride in their work...and it shows. The attention to detail on these trailers is amazing. The welds are beautifully done, and the fit and finish work is great. The trailers are all painted with a three step phosphate wash and primer base with a polyurethane top coat. We have looked at a lot of trailers before we decided to sell Belmonts. They are a rugged, top quality trailer, as good or better than any of the big names. Financing available.
