Description

OVERVIEW

Iron Bull DTB10 trailers are proof that great things can come in small packages. Top tier components come together with the most rugged construction on the market to deliver a dump trailer like no other. Dexter Nev-R-Adjust brake axles and radial tires provide a solid foundation for each Iron Bull dump trailer and ample grip for stopping power. Sherwin-Williams Powdurda Powder coat gives each trailer a rugged finish with a showroom shine. Hydraulic cylinders are the muscle for each Iron Bull dump trailer and KTI remote operated hydraulic pumps feed the beast. USA made, lifetime LEDs are provided by TecNic lighting and all units are powered by an Interstate

deep cycle battery. Each Iron Bull Trailer also comes equipped with a standard tarp kit, stake pockets, locking pump box, 5 position adjustable coupler, multi-function gate and 110v wall outlet charging receptacle for your battery. Our 60" wide 7k bumper pull may be small, but it is full of might. With two 3500lb Dexter Axles and tons of standard features, this model is a great additon to any job site or home.
