Playful Plus

Fully capable of riding three-up for watersports fun along with the features you want the most.

Features may include:

Connex® Helm Control System

The Connex Helm Control System offers Auto Trim for an enhanced riding experience, displays all essential functions, and includes a security mode to prevent unauthorized use.

Yamaha TR-1® HO Engine

A step up in performance compared to the TR-1 motor for class-leading performance, superior fuel efficiency, and unmatched reliability.

Integrated Foot Chocks

Offers a secure stance and enhanced leverage, providing greater control and stability while standing up.

Hydro-Turf Deck Mat

Premium, padded deck mat for comfortable reboarding

Competition-inspired Handlebars

Taller, wider handlebars allow the rider to have more leverage over the bars, and new performance grips reduce hand slippage and fatigue.

RiDE® Throttle Control System

Effortlessly switch between forward, neutral, and reverse with a single pull of the throttle, ensuring smoother deceleration, reversing, and docking.
