Crafted with pride in Marietta, SC, the Hawke 7' x 12' 12K Low Profile Dump Trailer is built for contractors and professionals who need a compact trailer with serious lifting power. With a low deck height for easy loading and a heavy-duty scissor lift system, this trailer delivers smooth, controlled dumping while maintaining excellent stability and ground clearance.
Built with premium components like Dexter axles, Westlake radial tires, and a durable Sherwin-Williams finish, this trailer is designed to handle demanding workloads while staying reliable job after job. Features like no-stick rounded corners, integrated tarp system, and slide-in ramps make it fully equipped and ready for the jobsite.
