Description

If you are not a fan of pulling a big trailer but want to get your toys or equipment around, we have the perfect trailer. This would work great behind the jeep to take the kayaks, bikes, riding mower, tents or coolers somewhere to get away for a little while. It is a black Doolittle 77 X 14 2990lb utility. It comes with removal side ramps, a dove tail and fold down gate. There are 4 stake pockets for securing the load. The pipe top side rails are 2 ?". This keeps the load from sliding off. The trailer

comes with a 2" A frame coupler, ST205/75R-15 6 ply tires, treated yellow pine floor, 4 way molded plug, and LED lights. All wiring is protected in conduit and in the rear tube crossmember with 3M gel connectors. The trailer comes with a 5 year frame warranty and 1 year all Doolittle manufactured items. The MSRP for this trailer is \$3621. The Lightbulb Express price is \$3140. Call/text us if you are interested or have any questions @ 314-604-2094. We accept payment in the form of cash, cashier check, debit card and credit card (+3%). We are not able to do financing, accept trades or rent to own
