Description

Haul a variety of vehicles and be ready to overcome whatever challenges you encounter with the versatile 6" Channel Super-Wide (B6) Trailer.
Offering more capacity and customizable to your liking, the B6 is the next step for those seeking a vehicle hauler with a little more oomph. Able to haul a wide range of load sizes and types (up to 16,000 lbs. G.V.W.R., depending on configuration), this trailer is built to make loading, unloading, and transporting vehicles and extra wide equipment a cinch with its drive-over fender design and rub rail with pipe spools and flushmount d-rings. So, what are you waiting for? Secure your cargo.

Get on the road. Make your dreams come true.
